SRI SAI KRIPA STONES

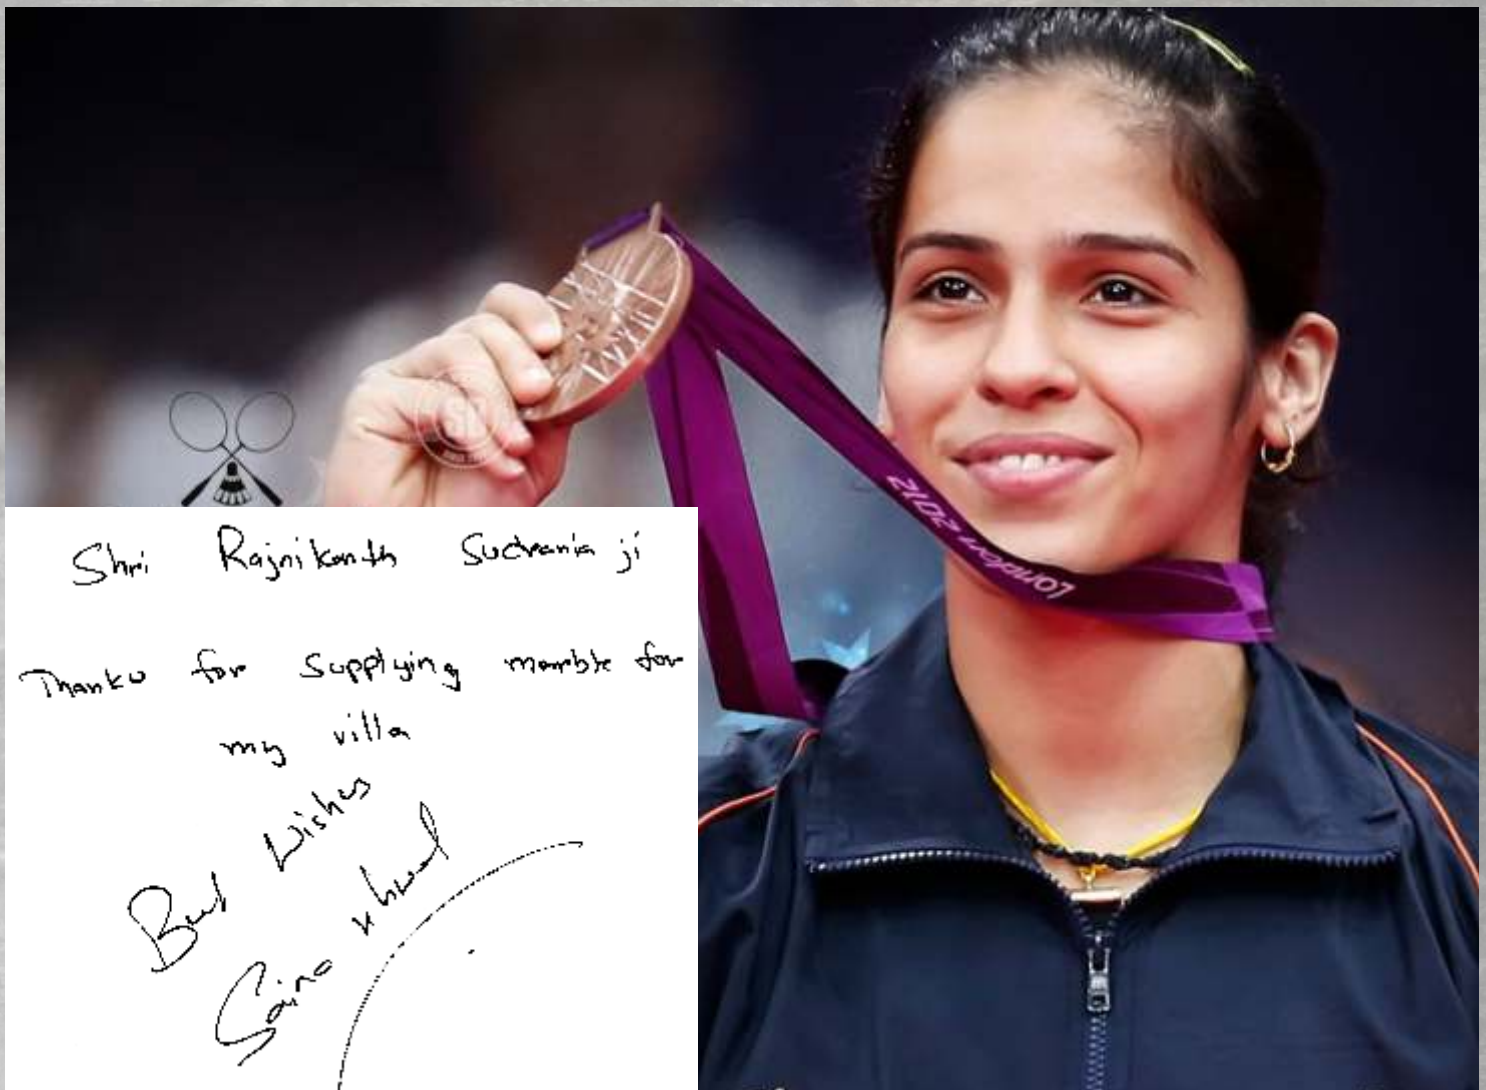

ABOUT US

Sri Sai Kripa Group commenced its operations in the year 2006 in Jaipur with the vision of making available excellent quality natural stones to the customers in their required sizes and specifications at matchless price.

With sharp business acumen, commendable headship and an experience of 14 years in manufacturing of granite at our parental unit, "M/s Siddhi Vinayak Granite Industries, Pali (Rajasthan)", we have managed to carve a niche for ourselves in the market.

We started with one product Granite & then slowly ventured into other products in the same line of business and other diversified products like craft paper trading and distribution of soft luggage, school bags, ladies purse.

Recently we have entered in Real Estate Business also. Presently 28 Luxurious Villas are under construction at Mahindra World City.
